## ***A.S.A.P. is an outreach support group offering education and resources for families in need***

A.S.A.P.s goals are to focus on early intervention, education, advocacy and offer support to families, friends and educators. This will be achieved through monthly meeting, guest speakers and on going support.

Educating others through support is the key to bring awareness to Autism Spectrum Disorders

### **Monday May 19<sup>th</sup>-The Benefit of Occupational Therapy**
